MARK HABERLAND

Managing Director
Darling Consulting Group

Mark is a managing director at Darling Consulting Group. In his role, Mark works directly with financial institutions to help provide solutions for their asset clients in the areas of liquidity risk management process. Additionally, he provides support to clients in the areas of ALM modeling, regulatory compliance and executive level education.

Mark has been with DCG since 1997, starting his career as a financial analyst before being promoted to a team manager and eventually Director in the analytics department. He has nearly 20 years of experience in the banking industry in the areas of asset liability management and bank auditing.

Mark lives on the north shore of Boston with his wife and two children. He is a graduate of St. Michael's College in Vermont with a degree in accounting.
