## **JOE KENNERSON**

Manager, Client Services  
Darling Consulting Group

Joe is the manager of Client Services at Darling Consulting Group. In this capacity, he works directly with financial institutions to help provide solutions for their asset liability management process in the areas of interest rate risk management, ALM modeling, regulatory compliance and executive level education.

Joe also oversees DCG's contingency liquidity model, Liquidity360°, through the management of over 200 institutions with a focus on operational and contingency liquidity management, product development and regulatory compliance.

Joe has been with DCG since 2005 where he started out as a financial analyst. He lives in Portsmouth, NH where he is an active member with the Big Brother's Big Sister's program. Joe is a graduate of University of New Hampshire with a degree in finance.
